PVA stands for Premium Vinyl Acrylic. That is our best vinyl acrylic.

MTB= Medium Tint Base

DTB= Deep Tint Base

ATB= Accent Tint Base

NTB= Neutral Tint Base

I wouldn't worry about the bases. However, let your customers know that darker colors may require an up-charge.

Opticoat is our trade name for our best 100% acrylic house paint.

Pro-Line is an economical choice for the professional.

Uni-Prime is a 100% Acrylic interior and exterior primer for many surfaces.

Vin-lox is an elastomeric patching compound to repair cracks in concrete and stucco.
